

Philipstown Garden Club, GCA

The Philipstown Garden Club and its community based non-profit partners are now accepting applications for their annual Summer Internship Program. The Internships are open to upcoming high school juniors, seniors, and 2012 graduating seniors interested in horticulture and/or the environment. The program consists of eight 20 hour weeks, flexible hours, and a \$1000.00 stipend. Perspective applicants can use the application below or download it and obtain more information about the different non-profit partner organizations by going to: www.pgcinc.org and going to internships.

Deadline for applications – May 1, 2012
