22.01 If the whole of the Demised premises shall be taken by any public or quasi-public authority under the power of condemnation, eminent domain or expropriation, or in the event of conveyance of the whole of the Demised Premises in lieu thereof, this Lease shall terminate as of the day possession shall be taken by such authority. If 25% or less of the Floor Space of the Demised Premises shall be so taken or conveyed, this Lease shall terminate only in respect of the part so taken or conveyed as of the day possession shall be taken by such authority. If more than 25% of the Floor Space of the Demised Premises shall be so taken or conveyed, this Lease shall terminate only in respect of the part so taken or conveyed as of the day possession shall be taken by such authority, but either party shall have the right to terminate this Lease upon notice given to the other party within 30 days after such taking possession. If more than 25% of the Floor Space of the Building shall be so taken or conveyed, Landlord, may by notice to Tenant, terminate this Lease as of the day possession shall be taken. If so much of the Parking facilities shall be so taken or conveyed that the number of parking spaces necessary, in Landlord's reasonable judgment, for the continued operation of the Building or the Entire Premises shall not be available, landlord may, by notice to Tenant, terminate this Lease as of the day possession shall be taken on no less than sixty (60) days prior notice. If this Lease shall continue in effect as to any portion of the Demised premises not so taken or conveyed, the Rent shall be computed as of the day possession shall be taken on the basis of the remaining Floor Space of the Demised Premises. Except as specifically provided herein, in the event of any such taking or conveyance there shall be no reduction in Rent. If this Lease shall continue in effect, landlord shall, at its expense, but only to the extent of the net award or other compensation (after deducting all expenses in connection with obtaining same) available to Landlord for the improvements taken or conveyed (excluding any award or other compensation for land or for the unexpired portion of the term of any Superior Lease), make all necessary alterations so as to constitute the remaining Building a complete architectural and tenantable unit, and Tenant shall make all alterations or replacements to its stock-in-trade, trade fixtures, furniture, furnishings, removable floor coverings, equipment, signs and all other property of Tenant and decorations in and around the Demised Premises. All awards and compensation for any taking or conveyance, whether for the whole or part of the Entire premises, the Demised premises or otherwise, shall be property of landlord, and Tenant hereby assigns to Landlord all of Tenant's right, title, and interest in and to any and all such awards and compensation, including, without limitation, any award on compensation for the value of the expired portion of the Term. Tenant shall be entitled to claim, prove and receive in the condemnation proceeding such award or compensation as may be allowed for its trade fixtures and for loss of business, good will, and depreciation or injury to and cost of removal of stock in trade, but only if such award or compensation shall be made by the condemning authority in addition to, and shall not result in a reduction of, the award or compensation made by it to Landlord.

22.02 If the temporary use or occupancy of all or any part of the Demised Premises shall be taken during the Term, Tenant shall be entitled, except as hereinafter set forth, to receive that portion of the award or payment for such taking which represents compensation for the use and occupancy of the Demised Premises, for the taking of Tenant's Property and for moving expenses, and Landlord shall be entitled to receive that portion which represents reimbursement for the cost of restoration of the Demised Premises. This Lease shall be and remain unaffected by such taking and Tenant shall continue to be responsible for all of its obligations hereunder insofar as such obligations are not affected by such taking and shall continue to pay the Rent in full when due. If the period of temporary use and occupancy shall extend beyond the

Expiration Date, that part of the award or payment which represents compensation for the use and occupancy of the Demised Premises (or a part thereof) shall be divided between Landlord and Tenant so that Tenant shall receive (except as otherwise provided below) so much thereof as represents compensation for the period up to and including the Expiration Date and Landlord shall receive as much thereof as represents compensation for the period after the Expiration Date. All monies to be paid to Tenant as, or part of, an award or payment for temporary use and occupancy for a period beyond the date to which the Rent has been paid shall be received, held and applied by the First Superior Mortgagee (or if there is no Superior Mortgagee, by Landlord) as a trust fund for payment of the Rent becoming due hereunder.

#### ARTICLE 23 - SURRENDER

23.01 On the Expiration Date, or upon any earlier termination of this Lease, or upon any re-entry by Landlord upon the Demised Premises, Tenant shall quit and surrender the Demised Premises to Landlord "broom-clean" and in good order, condition and repair, except for ordinary wear and tear and such damages or destruction as Landlord is required to repair or restore under this Lease, and Tenant shall remove all of Tenant's property there from except as otherwise expressly provided in this Lease.

23.02 If Tenant remains in possession of the Demised Premises after the expiration of the Term, Tenant shall be deemed to be occupying the Demised Premises as a Tenant from month to month at the sufferance of Landlord subject to all of the provisions of this Lease, except that the monthly Fixed Rent shall be the Fixed Rent in effect during the last month of the term.

23.03 No act or thing done by Landlord or its agents shall be deemed an acceptance or surrender of the Demised Premises, and no agreement to accept such surrender shall be valid unless in writing and signed by Landlord.

#### ARTICLE 24 - DEFAULT

24.01 This Lease and the Term and estate granted are subject inter alia to the limitation that whenever Tenant shall make an assignment for the benefit of creditors, or shall file a voluntary petition under any bankruptcy or insolvency law, or an involuntary petition alleging an act of bankruptcy or insolvency is filed against Tenant, or whenever a petition shall be filed by or against Tenant seeking any reorganization, arrangement composition, readjustment, liquidation, dissolution or similar relief under any present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute or law, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Tenant or of all or any substantial part of its properties, or whenever a permanent or temporary receiver of Tenant or of, or for, the property of Tenant shall be appointed, or if Tenant shall plead bankruptcy or insolvency as a defense in any action or proceeding, then Landlord, (a) at any time after receipt of notice of the occurrence of any such event, or (b) if such event occurs without the consent of Tenant, at any time after the event continues for thirty (30) days may give Tenant a notice of intention to end the Term at the expiration of thirty (30) days from the service of such notice of intention, and upon the expiration of said thirty (30) days from the period, this Lease and the term hereby granted whether or not the Term shall theretofore have commenced, shall terminate with the same effect as if that day were the last day of the Lease term hereof, but Tenant shall remain liable for damages as provided in this Lease.

24.02 FURTHER LIMITATION: This Lease and the Terms and estate hereby granted are subject to the further limitation that, (a) whenever Tenant shall default in the payment of any monthly installment of Annual Fixed Rental, or in the payment of any other sums payable from Tenant to Landlord under this Lease as additional rent, on any day upon which the same shall be due and payable and such default shall continue for ten (10) days after the giving of written notice thereof by Landlord, or (b) whenever Tenant shall do or permit anything to be done, whether by action or inaction, contrary to any of Tenant's obligations hereunder, and if such situation shall continue and shall not be remedied by Tenant within

twenty (20) days after Landlord shall have given to Tenant a written notice specifying the same, or in the case of a happening of default which cannot with due diligence be cured within a period of twenty (20) days and the continuance of which for the period required for cure will not subject Landlord to the risk of criminal liability or termination of any superior Lease or foreclosure of any Superior Mortgage, if Tenant shall not duly institute within such twenty (20) day period and promptly and diligently prosecute to completion all steps necessary to remedy the same, or (c) whenever any event shall occur or any contingency shall arise whereby this Lease or any interest therein or the estate hereby granted or any portion thereof or the unexpired balance of the Term hereof would, by operation of Law or otherwise, devolve upon or pass to any person, firm or corporation other than Tenant, except as expressly permitted in this Lease, then in any such event covered by subsections a, b, or c, of this paragraph at any time thereafter, Landlord may give to Tenant a notice of intention to end the Term of this Lease at the expiration of seven (7) days from the date of service of such notice of intention, and upon the expiration of said seven (7) days this Lease and the Term and estate hereby granted, whether, or not the Term shall theretofore have commenced, shall terminate with the same effect as if that day were the last day of the lease term hereof, but Tenant shall remain liable for damages as provided. During the pendency of any proceedings brought by Landlord to recover possession by reason of default, Tenant shall continue all money payments required to be made to landlord, and Landlord may accept such payments for use and occupancy of the premises; in such event Tenant waives its right in such proceedings to claim as a defense that the receipt of such money payments by Landlord constitutes a waiver by Landlord of such default.

#### ARTICLE 25 - RE-ENTRY BY LANDLORD - DEFAULT PROVISIONS

25.01 If this Lease shall terminate for any reason whatsoever, Landlord or Landlord's agents and employees may without further notice, immediately or at any time thereafter, enter upon and re-enter the Premises, or any part thereof, and possess or re-possess itself thereof by either summary dispossession proceedings, ejectment, or by any suitable action or proceeding at law or by agreement, and may dispossess and remove Tenant and all other persons and property from the Premises without being liable to indictment, prosecution or damages therefore, and may repossess the same, and remove any persons therefrom, to the end that landlord may have, hold and enjoy the Premises and the right to receive all rental income again as and of its first estate and interest therein. The words "enter" or "re-enter", "possess" or "repossess" as herein used, are not restricted to their technical legal meaning. In the event of any termination of this Lease under the provisions of this Article, or re-entry under this paragraph or in the event of the termination of this Lease, or of re-entry by summary dispossession proceedings, ejectment or any suitable action or proceedings at law, or by agreement, or by force or otherwise, by reason of default hereunder on the part of the Tenant, Tenant shall thereupon pay to Landlord the Annual Fixed Rental and any additional rent due up to the time of such termination of this lease or of such recovery of possession of the premises by Landlord, as the case may be, and shall also pay to Landlord damages as provided herein.

#### ARTICLE 26 - DAMAGES

26.01 If this Lease is terminated under the provisions of Article 24; or if Landlord shall re-enter the Premises under the provisions of Article 25, or in the event of the termination of this Lease, or of reentry by summary dispossession proceedings, ejectment or by any suitable action or proceeding at law, or by agreement, or by force or otherwise, by reason of default hereunder on the part of Tenant, Tenant shall pay to Landlord as damages, on demand, a sum equal to the Annual Fixed Rent and the Additional Rent (conclusively presuming the Additional Rent to be the same as was payable for the year immediately preceding such termination) payable hereunder which would have been payable by Tenant had this Lease not so terminated, or had Landlord not so re-entered the Premises, payable monthly but otherwise upon the terms therefore specified herein following such termination or such re-entry and until the expiration of the Term, provided, however, that if Landlord shall relet the Premises or any portion or portions thereof during said period, Landlord shall credit Tenant with the net rents received by Landlord from such reletting, such net rents to be determined by first deducting from the gross rents as and when received by Landlord from such reletting, the expenses incurred or paid by Landlord in terminating this

Lease or in re-entering the Premises and in securing possession thereof, as well as the reasonable expenses of reletting, including altering and preparing the Premises or any portion or portions thereof for new tenants, brokers' commissions, advertising expenses, attorneys' fees, and all other expenses properly chargeable against the Premises and the rental therefrom: it being understood that any such reletting may be for a period shorter or longer than the remaining Term of this Lease, but in no event shall Tenant be entitled to receive any excess of such net rents over the sums payable by Tenant to Landlord hereunder, nor shall Tenant be entitled, in any suit for the collection of damages pursuant to this Subsection, to a credit in respect of any net rents from a reletting, except to the event that such net rents are actually received by Landlord. If the Premises or any part thereof should be relet in combination with other space, then proper apportionment shall be made of the rent received from such reletting and of the expenses of reletting.

26.02 If the Premises or any part thereof be relet by Landlord for the unexpired portion of this Term, or any part thereof, before presentation of the proof of such damages to any court, commission, or tribunal, the amount of rent reserved upon such reletting shall, conclusively, be fair and reasonable rental value of the Premises, or part thereof, so relet during the term of reletting. Landlord however, shall have no liability for its inability to mitigate the damages by seeking to relet the Premises and it shall in no event and in no way be responsible or liable for any failure to relet the Premises or any part thereof or for failure to collect any rent due upon any such reletting.

26.03 Suit or suits for recovery of such damages or any installments thereof may be brought by Landlord at any time and from time to time at its election, and nothing contained herein shall be deemed to require Landlord to postpone suit until the date when the term would have expired if it had not been so terminated under the provisions of Article 24, or under any provision of law, or had Landlord not re-entered the Demised Premises. Nothing herein contained shall be construed to limit or preclude recovery by Landlord against Tenant of any sums or damages, in addition to the damages particularly provided above, that Landlord may lawfully be entitled to by reason of any fault hereunder on the part of the Tenant.

26.04 Nothing herein contained shall be construed to limit or prejudice the right of Landlord to provide for and obtain as damages by reason of the termination of this Lease or re-entry on the Demised Premises for the default of Tenant under this Lease an amount equal to the maximum allowed by any statute or rule of law in effect at this time then governing the proceedings in which such damages are to be proved whether or not such amount be greater than, equal to, or less than any of the sums referred to in Article 26.01.

26.05 In addition, if this Lease is terminated under the provisions of Article 24, or if Landlord shall re-enter the Demised Premises under the provisions of Article 25, Tenant covenants that: (a) the Demised Premises then shall be in the same condition as that in which Tenant has agreed to surrender the same to Landlord at the Expiration Date; (b) Tenant shall have performed prior to any such termination any obligation of Tenant contained in this Lease for making of any alteration or for restoring or rebuilding the Demised Premises or the Building, or any part thereof; and (c) for the breach of any covenant of Tenant set forth above in this Article 26.05, Landlord shall be entitled immediately, without notice or other action by Landlord, to recover, and Tenant shall pay as and for liquidated damages therefore, the reasonable cost of performing such covenant (as estimated by an independent contractor selected by Landlord).

26.06 In addition to any other remedies Landlord may have under this Lease, and without reducing or adversely affecting any of Landlord's right and remedies under this Article 26, if any damages payable hereunder by Tenant to Landlord are not paid within thirty (30) days after due, the same shall bear interest at the rate of 1 1/2% per month or the maximum rate permitted by law, whichever is less, from the due date thereof until paid, and the amounts of such interest shall be Additional Charges hereunder.

#### ARTICLE 27 - AFFIRMATIVE WAIVERS

27.01 Tenant, on behalf of itself and any and all persons claiming through or under Tenant, does hereby waive and surrender all right and privilege which it, they or any of them might have under or by reason of any present or future law, to redeem the Demised Premises or to have a continuance of this Lease after being dispossessed or ejected from the Demised Premises by process of law or under the terms of this Lease or after the termination of this Lease as provided in this Lease.

27.02 Landlord and Tenant hereby waive trial by jury in any action, proceeding or counterclaim brought by either against the other on any matter whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant and Tenant's use or occupancy of the Demised Premises and use of the Common Areas, including without limitation any claim or injury or damage, and any emergency and other statutory remedy with respect thereto.

#### ARTICLE 28 - NO WAIVERS

28.01 The failure of either party to insist in any one or more instances upon the strict performance of any one or more of the obligations of this Lease, or to exercise any election herein contained, shall not be construed as a waiver or relinquishment for the future of performance of such one or more obligations of this Lease or of the right to exercise such election, but the same shall continue and remain in full force and effect with respect to any subsequent breach, act or omission. The receipt by Landlord of Fixed Rent, Percentage Rent or Additional Charges with knowledge of Breach by Tenant of any obligation of this Lease shall not be deemed a waiver of such breach.

#### ARTICLE 29 - CURING TENANT'S DEFAULTS

29.01 If Tenant shall default in the performance of any of Tenant's obligations under this Lease, Landlord, without thereby waiving such default, may (but shall not be obligated to) perform same for the account and at the expense of Tenant, without notice in a case of emergency, and in any other case only if such default continues after the expiration of 20 days from the date Landlord gives Tenant written notice of the default. Bills for any expense incurred by Landlord in connection with any such performance by it for the account of Tenant, and bills for all reasonable costs, expenses and disbursements of every kind and nature whatsoever, including reasonable attorneys' fees and expenses, involved in collection or endeavoring to collect the Rent or any part thereof or enforcing or endeavoring to enforce any rights against Tenant or Tenants obligations hereunder, under or in connection with this Lease or pursuant to law, including any such cost, attorneys' fees, expense and disbursement involved in instituting and prosecuting summary proceedings or in recovering possession of the Demised Premises after default by Tenant or upon the expiration of the Term or sooner termination of this Lease, may be sent by Landlord to Tenant monthly, or immediately, at Landlord's option, and such amounts shall be due and payable in accordance with the terms of such bills. In addition, all reasonable costs, attorneys' fees, expenses and disbursements incurred by Landlord in connection with the institution and prosecution of summary proceedings or any action or proceeding to recover possession or damages, or otherwise enforce its rights arising from this Lease, shall be recoverable from Tenant in said action or proceeding.

#### ARTICLE 30 - BROKER

30.01 Both parties represent that NO BROKERS were instrumental in bringing about or consummating this Lease, and that they no conversations or negotiations with any (other) broker concerning the leasing of the Demised Premises. Each party agrees to indemnify and hold harmless the other against and from any claims for any brokerage commissions and all costs, expenses and liabilities in connection therewith, including, without limitation, attorney's fees and expenses arising out of any conversations or negotiations had by Tenant with any (other) broker.

### ARTICLE 31 - NOTICES

31.01 Any notice, statement, demand, consent, approval or other communication required or permitted to be given, rendered or made by either party to the other, pursuant to this Lease or pursuant to any applicable Legal Requirement, shall be in writing (whether or not so stated elsewhere in this Lease) and shall be deemed to have been properly given, rendered or made only if delivered in person or if sent (1) by registered or certified mail, return receipt requested, posted in a United States post office station or letter box in the continental United States, or (2) by Express Mail, or (3) overnight courier or delivery service which provides written proof of delivery, addressed to the other party at the address hereinabove set forth and shall be deemed to have been given, rendered or made on the day of delivery in person or if sent, on the third business day after the day of delivery in person or if sent, on the next business day after the day so sent. Either party may, by notice as aforesaid, designate a different address of or addresses for notices, statements, demands, consents, approvals or other communications intended for it. Notices from Landlord's attorney to Tenant shall be deemed equally as effective as if they were from Landlord directly. All notices statements, demands, consents, approvals or other communications, as specified herein, to Tenant shall also be addressed to the County Executive and shall also be sent to the Putnam County Attorney, 48 Gleneida Avenue, Carmel, New York 10512.

### ARTICLE 32 - ESTOPPEL CERTIFICATES

32.01 Each party shall, at any time and from time to time, as required by the other party, upon not less than twenty (20) days prior notice execute and deliver to the requesting party a statement certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), certifying the dates to which the Fixed Rent and Additional Charges have been paid, stating whether or not, to the best knowledge of the party giving the statement, the requesting party is in default of performance of any of its obligations under this Lease and if so, specifying each such default of which the party giving the statement shall have knowledge, and stating whether or not, to the best knowledge of the party giving the statement, any event has occurred which with the giving of notice or passage of time, or both, would constitute such a default of the requesting party, and if so, specifying each such event; and such statement delivered pursuant hereto shall be deemed a representation and warranty to be relied upon by the party requesting the certificate and by others with whom such party may be dealing, regardless of independent investigations. Tenant also shall include in any such statement such other information concerning this Lease as Landlord may reasonably request. Failure of the Tenant to execute and deliver the statement within the twenty (20) days notice period shall be a default of this Lease. Upon such default, Landlord, among other remedies, shall have the benefit of the provisions of Article 32.02 below.

32.02 In the event Tenant shall fail or refuse to execute and deliver to landlord the statement required in Article 32.01 above, Tenant hereby irrevocably appoints landlord as its attorney-in-fact with full power and authority to execute and deliver such statement in the name of Tenant, or Landlord may treat such failure on the part of Tenant as a default.

### ARTICLE 33 - OPTION TO PURCHASE

33.01 Tenant shall have the Option to Purchase the Demised Premises designated as an approximate 6000 square foot section of the Lahey Pavilion, ("Space") on the Site Plan, along with a then determined area of real property directly appurtenant thereto. The Tenant may elect to do so and shall notify Landlord of said intention after the expiration of the initial fifteen (15) year Lease Term and prior to the expiration of the option period. Tenant can exercise the Option to Purchase only during a period of time when it has an existing and valid lease for the Demised Premises, is current with all Rent and Additional Rent payments and is not in default. Tenant must provide Landlord with a minimum of one hundred

and twenty (120) days written notice prior to the expiration of the the option term.

33.02 If Tenant desires to purchase the Demised Premises, it shall give written notice of its intent to the Landlord. In the event Tenant exercises its option to purchase the Demised Premises, the purchase price (the "Purchase Price") shall be the fair market value of same at the time Tenant so elects to purchase the Demised Premises all things considered, including the then remaining term of the Lease. The Landlord and Tenant shall have thirty (30) days to agree upon the Purchase Price following receipt by Landlord of Tenant's notice.

33.03 Once the Purchase Price is determined, the parties shall execute a contract of sale mutually agreeable to the parties which contract of sale shall provide that: (i) the Property shall be delivered free and clear of any and all liens, (ii) shall provide a closing within (90) days of the date of execution thereof, and (iii) shall contain such other commercially reasonable terms as are then customary in the sale of a commercial property in Putnam County. If the parties are unable, despite using good faith reasonable efforts, to agree upon a contract of sale and the terms thereof within ninety (90) days following the receipt of Tenant's notice to purchase, upon expiration of such ninety (90) day period, the Tenant shall have no further right to purchase the Building and Tenant's rights granted pursuant to this Article 33 shall be null and void and of no further force and effect and Landlord shall thereafter be free to sell the Building to any third party Purchaser.

33.04 In the event the Landlord and Tenant are unable to agree on the Purchase Price, The Purchase Price shall be determined as hereinafter set forth. For all purposes of this Lease, the Purchase Price shall be determined by the following procedure:

- a. If Landlord and Tenant have not agreed upon the Purchase Price within the thirty (30) day period as set forth above, each shall, within fifteen (15) days thereafter, designate an independent appraiser of recognized competence for sale of real estate comparable to the Demised Premises ("Initial Appraisers") by written notice served upon the other.
- b. The Initial Appraisers shall confer and attempt to agree upon the Purchase Price during the ensuing thirty (30) day period and any such agreed Purchase Price shall be conclusive for purposes hereof. If either Landlord or Tenant fails to designate an appraiser as set forth in Subparagraph (a) above, the determination of the Purchase Price by the appraiser designated by the other shall be conclusive for purposes hereof.
- c. If the Initial Appraisers cannot so agree within such thirty (30) day period, they shall each prepare a written determination of the Purchase Price and jointly designate a disinterested appraiser ("Additional Appraiser"). The Additional Appraiser shall make a written determination of the Purchase Price within thirty (30) days from the date of his designation. Thereafter, the three (3) appraisals shall be averaged and such average shall be conclusive as the Purchase Price for purposes hereof. Each Appraisers so chosen shall have a minimum of fifteen (15) years' experience in appraising commercial real estate in Putnam County.
- d. If the Initial Appraisers do not designate the Additional Appraiser within the appropriate time period, he shall be designated promptly by the President of The American Institute of Real Estate Appraisers, or its then successor organization or, if no such organization exists, the President of the Real Estate Board of New York, Inc. or its successor organization.
- e. All costs of Appraisal, other than the costs of the Initial Appraisers which shall be borne by the party choosing each such appraiser, shall be totaled and shared equally between Landlord and Tenant.
- f. In determining the Purchase Price, the appraisers shall consider all things relative to the Space and the transaction including, but not limited to, the Rent being paid by Tenant in the Space, the condition of the Space, the impact that a sale of the Space would have on real estate taxes and other charges against the Building, the remaining term of the

Lease and the sale price of other comparable real estate taxes in the area.

g. Tenant may not assign this Option to Purchase to any affiliate or any entity controlling Tenant, controlled by Tenant or under common control with Tenant.

33.05 Should the Tenant exercise its Option to Purchase:

- a. The Tenant shall be responsible for obtaining any and all required approvals, including condominium approval for the Premises.
- b. The Landlord shall transfer to the Tenant an easement for the purpose of ingress and egress, which such location shall be determined, but shall be to the parties' mutual satisfaction.
- c. The Landlord shall transfer to the Tenant an easement required for the parking area, which shall be to the parties' mutual satisfaction.

#### ARTICLE 34 - RECORDING OF LEASE

34.01 Tenant shall not record this lease and attempt to do so shall constitute a default. However, at the request of the Landlord, Tenant shall promptly execute, acknowledge and deliver to Landlord a memorandum of Lease with respect to this Lease sufficient for recording. Such memorandum shall not be deemed to change or otherwise affect any of the obligations or provisions of this Lease. Whichever party records such memorandum of Lease shall pay all recording costs and expenses, including taxes due upon such recording.

#### ARTICLE 35 - MISCELLANEOUS

35.01 Tenant expressly acknowledges and agrees that Landlord has not made and is not making, and Tenant, in executing and delivering this Lease, is not relying upon, any warranties, representations, promises or statements, except to the extent that the same are expressly set forth in this Lease or in any other written agreement(s) which may be made between the parties concurrently with the execution and delivery of this Lease. All understandings and agreements heretofore had between the parties are merged in this Lease and any other written agreement(s) made concurrently herewith, which alone fully and completely express the agreement of the parties and which are entered into after full investigation. Neither party has relied upon any statement or representation not embodied in this Lease or in any other written agreement(s) made concurrently herewith.

35.02 No agreement shall be effective to change, modify, waive, release, discharge, terminate or effect an abandonment of this Lease, in whole or in part unless such agreement is in writing, refers expressly to this Lease and is signed by the party against whom enforcement of the change, modification, waiver, release, discharge, termination or effectuation of abandonment is sought.

35.03 If Tenant shall at any time request Landlord to sublet or let the Demised Premises for Tenant's account, Landlord is authorized to do so, without releasing Tenant from any of its obligations under this Lease, and Tenant hereby releases Landlord of any liability for loss or damage to any of the Tenant's Property in connection with such subletting or letting

35.04 Except as otherwise expressly provided in this Lease, the obligation under this Lease shall bind and benefit the successors and assigns of the parties hereto with the same effect as if mentioned in each instance where a party is named or referred to; provided, however, that (a) no violation of the provisions of Article 10 shall operate to vest any rights in any successor or assignee of Tenant and (b) the provisions of this Article 35.04 shall not be construed as modifying the provisions contained in Article 24.

35.05 Except for Tenant's obligations to pay Rent, the times for which are of the Essence of this agreement, the time for Landlord or Tenant, as the case may be, to perform any of its respective obligations hereunder shall be extended if and to the extent that the performance thereof shall be prevented due to any strikes, lockouts, civil commotions, warlike operations, invasions, rebellions, hostilities, military or usurped power, governmental regulations or controls, inability to obtain labor or materials despite due diligence, acts of God, or other causes beyond the control of the party whose performance is required. Except as expressly provided to the contrary, the obligations of the Tenant hereunder shall not be affected, impaired or excused, nor shall Landlord have any liability whatsoever to Tenant, (a) because Landlord is unable to fulfill, or is delayed in fulfilling, any of its obligations under this Lease due to any of the matters set forth in the first sentence of this Article 35.05, or (b) because of any failure or defect in the supply, quality or character of electricity, water or any other utility or service furnished to the Demised Premises for any reason beyond Landlord's reasonable control.

35.06 Any liability for payments hereunder (including, without limitation, Additional Charges) shall survive the expiration of the Term or earlier termination of this Lease.

35.07 If Tenant shall request Landlord's consent as provided for in this agreement, and Landlord shall fail or refuse to give such consent, Tenant shall not be entitled to any damages for any withholding by Landlord of its consent; Tenant's sole remedy, if any, shall be an action for specific performance or injunction, and such remedy shall be available only in those cases where Landlord has expressly agreed in writing not to unreasonably withhold its consent or where as a matter of law Landlord may not unreasonably withhold its consent.

35.08 Tenant shall not exercise its right under Article 16 or any other provision of this Lease in a manner which would violate Landlord's union contracts affecting the Entire Premises, if any, or create any work stoppage, picketing, labor disruption or dispute or any interference with the business of Landlord or any Tenant or occupant of the Entire Premises.

35.09 Irrespective of the place of execution or performance, this Lease shall be governed by and construed in accordance with the laws of the State of New York. If any provision of this Lease or the application thereof to any person or circumstance shall, for any reason and to any extent, be invalid or unenforceable, the remainder of this Lease and the application of that provision to other Persons or circumstances shall not be affected but rather shall be enforced to the extent permitted by law. The table of contents, captions, headings and titles in this Lease are solely for convenience of reference and shall not affect its interpretation. This Lease shall be construed without regard to any presumption or other rule requiring construction against the party causing this Lease to be drafted. If any words or phrases in this lease shall have been stricken out or otherwise eliminated whether or not any other words or phrases have been added, this Lease shall be construed as if the words or phrases so stricken out or otherwise eliminated were never included in this Lease and no implication or inference shall be drawn from the fact that said words or phrases were so stricken out or otherwise eliminated. Each covenant, agreement, obligations or other provision of this Lease on Tenant's part to be performed, shall be deemed and construed as a separate and independent covenant of Tenant, not dependent on any other provision of this Lease. All terms and words in this Lease, regardless of the number or gender in which they are used shall be deemed to include any other number and any other gender as the context may require.

35.10 THE PROVISIONS OF THIS ARTICLE HAVE ALL BEEN EXPLICITLY DISCUSSED, REVIEWED AND NEGOTIATED AND THEY ARE EQUALLY ESSENTIAL TO THIS AGREEMENT AS ANY OF THE OTHER PROVISIONS.

Article 36: INABILITY TO PERFORM

36.1 This Lease and the obligation of Tenant to pay rent hereunder and to perform all of the other covenants and agreements hereunder on the part of Tenant to be performed shall in no way be affected, impaired or excused because Landlord is unable to fulfill any of its obligations under this Lease if Landlord is prevented or delayed from so doing by reason of strike or labor troubles or any cause whatsoever beyond the reasonable control of Landlord including, but not limited to, government preemption in connection with a National Emergency or by reasons of any rule, order or regulation of any department or subdivision thereof of any government agency or by reason of the conditions of supply and demand which have been ore affected by war or other emergency.

IN WITNESS WHEREOF, Landlord and Tenant have duly executed this Lease as of the day and year first above written.
